## **NOTICE OF ALLOWABILITY**

### **STATUS OF THE CLAIMS**

This action is in response to arguments presented in the Appeal Brief filed 6 June 2005 and further in response to an interview between the examiner and Rosemary Kellogg in which claim amendments were agreed upon.

The previous rejections in the Office Action dated 7 September 2004 under 35 U.S.C. 112, first paragraph are withdrawn in view of the arguments presented in the Appeal Brief. The arguments and examiner's amendments below place the pending claims in condition for allowance.

Claims 33, 44-49, 51-54 56-58 are in condition for allowance.

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Rosemary Kellogg on 18 August 2005.

The application has been amended as follows:

- a. Claim 33: line 6, after "ligand complex", insert --- wherein said tenascin-C nucleic acid ligand is selected from the group consisting of SEQ ID NO: 4-65 ----.
- b. Cancel Claim 50.

Art Unit: 1634

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The claims are drawn to methods for detecting cancer, psoriasis or atherosclerosis by exposing tissue to a nucleic acid ligand having specificity to tenascin-C i.e. SEQ ID NO: 4-65 and detecting the ligand to detect the disease. The prior art teaches the well-known expression of tenascin-C in cancer, psoriasis or atherosclerosis and detection using antibodies to tenascin-C (see Appeal Brief, page 9). However, the prior art does not teach or instantly claimed method using SEQ ID NO: 4-65.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### **Conclusion**

Claims 33, 44-49, 51-54 56-58 are allowed.
